

ANNUAL REPORT

2019

Scholarship recipients had the opportunity to meet and thank scholarship donors in person at the 2019 Scholarship Recognition Breakfast. We are grateful to our supporters, and their generous donations that provide scholarships for Saint Paul College students.

Helping Students Shine!

Thanks to kind and thoughtful donors, the Friends of Saint Paul College awards scholarship and emergency fund grants to hard-working students in dozens of program areas. In the 2018-2019 school year, over 300 scholarships valued at \$365,000 boosted students toward their educational goals and dreams.

Scholarships brighten spirits and lessen the financial stress students face in balancing studies, family responsibilities and employment. Emergency grants can quickly be dispersed to a student with a short-term barrier (like a flat tire) that could potentially derail their coursework and semester goals.

Small businesses, corporations, family foundations and individuals all contributed important support to students this past year. We are grateful for their generosity and helping our students shine!

MISSION: Advance the mission of Saint Paul College by inspiring philanthropic giving to promote student success.

VISION: Transform lives by making college accessible for all students.

The Friends of Saint Paul College Foundation is the 501(c)3 charitable organization that develops private financial resources on behalf of Saint Paul College.
