

ANNUAL REPORT

2023

THANKS TO

thoughtful and kind donors, the Friends of Saint Paul College distributes scholarships and emergency aid grants to dedicated students in dozens of program areas. Scholarships boost students' spirits while lessening the financial stress they face in balancing studies, employment and family responsibilities.

An emergency aid grant of up to \$500 per student can make the difference between persisting with their semester or giving up. Individuals, small businesses, corporations, and family foundations all invested in our students this past school year.

We greatly value these Friends who pull together to change students' lives!

MISSION: Advance the mission of Saint Paul College by inspiring philanthropic giving to promote student success.
