

# Financial Certification Statement

STUDENT ID #: \_\_\_\_\_

For Office Use Only

F-1 international applicants must provide evidence of financial support for one full year for all expenses, to include tuition, fees, books and supplies, mandatory health insurance, living expenses, and transportation, as required by US government regulation. This financial certification statement is required along with a clearly scanned copy of the bank statement that is less than three months old, emailed to international@saintpaul.edu. We recommend you obtain two copies of your original, signed bank statement as you will need one original copy for your visa application. Funds must be in liquid assets. If you have government sponsorship or a scholarship, an original, signed award letter is required.
