

SAINT PAUL COLLEGE

PSEO Courses for Sophomores

High school Sophomores may be eligible to participate in PSEO and enroll in one Career and Technical Education (CTE) course if they have attained a passing score on the Reading portion of the 8th grade Minnesota Comprehensive Assessment (MCA). In addition, Sophomores must meet the Saint Paul College PSEO admissions requirements and course admission requirements.

If a Sophomore receives a grade of C or better in the CTE course, the student is allowed to take an additional CTE course in the subsequent term. If successful in PSEO as a Sophomore, the student will be able to continue as a Junior and/or Senior without having to reapply to the PSEO program, and general education courses may become an option for enrollment.

Students must meet course specific pre-requisite(s) prior to registration. Enrollment in courses subject to space availability and not all courses are offered each semester. Please see the online Course Schedule to determine term course offerings.

EXCLUDED PROGRAMS/COURSES FOR SOPHOMORES:

- Associate in Arts (AA)
- Minnesota Transfer Curriculum (MnTC)
- General education courses
- Any course for which the student has not met pre-requisite(s)
