Welcome to Saint Paul College

At Saint Paul College, our first priority is to provide students with an exceptional education. We provide the opportunities for multiple pathways, and the students themselves mold these opportunities into their personal successes.

Choose from over 100 degree, diploma and certificate programs Liberal and Fine Arts, Business, Career and Technical, Health Sciences, Service, and STEM programs. Our faculty are experts in their fields, and will challenge you and inspire you to excel in your chosen career and educational path.

Our students' accomplishments are attained through their own perseverance, fortitude and commitment to fulfilling their own dreams and their own definition of success. That’s why I think of Saint Paul College as being at the intersection of opportunity and success.

We are an award winning, technologically savvy campus. I would like to personally invite you to visit our beautiful campus, take a tour and see our classrooms, labs and hands-on training facilities, especially our new Health Sciences Simulation Center.

I have long been an advocate for community and technical colleges - I started my college education at a two-year college, and that experience made an incredible impact on my life. Join the over 10,000 students who attend classes at Saint Paul College, and experience the benefits of attending a community college. We are a vibrant campus community where we celebrate our differences and commonalities.

On behalf of our faculty, staff and administrators, I want to thank you for considering Saint Paul College as your educational partner and your pathway to a bright future. We look forward to working with you each step of the way. Best wishes for success with your college plans and your personal goals.

Sincerely,

Rassoul Dastmozd, Ph. D.
