## **What to expect during the Credit by Exam/Test-Out:**

American Sign Language is a bona-fide language; it has grammar, structure and linguistics rules that govern it as do all other languages. Signed English is not the same as American Sign Language.

Your expressive and receptive skills will be screened based on the Signing Naturally Curriculum sequence philosophy as follows:

EXPRESSIVE SKILLS will be assessed on:

- Production of Signs/Fingerspelling/Numbers
- Language Function (ASL grammatical structures)
- Clarity/Fluency
- Use of facial expressions, prosodic features and body movements

RECEPTIVE SKILLS will be assessed through writing contents:

- Ability to understand signs
- Ability to understand fingerspelling
- Ability to understand numbers
- Ability to understand mapping skills
- Ability to identify different non-manual signals
