

# Associate of Arts DEGREE Sociology Transfer Pathway

## Program Overview

The Sociology Transfer Pathway focuses on the systematic study of human social institutions and social relationships. It includes instruction in social theory, sociological research methods, social organization and structure, social stratification and hierarchies, dynamics of social change, family structures, social deviance and control, and applications to the study of specific social groups, social institutions, and social problems.

## Career Opportunities

Students who successfully complete the Sociology Transfer Pathway AA Degree will be prepared to transfer to a baccalaureate program in Sociology. With a degree in History you can work in a number of fields within the government and education systems.

## Program Outcomes

1. Identify core sociological concepts.
2. Apply major sociological theories.
3. Use social scientific research methods.
4. Discuss the components of social structure.
5. Communicate sociological concepts orally and in writing.

## Transfer Opportunities

Saint Paul College has a transfer articulation agreement between the following program and post-secondary institution for the baccalaureate degree program listed below. For more information please go to [saintpaul.edu/Transfer](http://saintpaul.edu/Transfer).
