For Office Use Only

Please read the following information carefully, initial by each line, and sign the agreement. By signing this agreement, you take responsibility to be aware of and comply with F-1 regulations and Saint Paul College policies while a student at Saint Paul College.

Print Name: _____

If admitted to Saint Paul College, I agree to:

- _____ Initial 1. Enroll full-time in at least 12 credit hours every Fall and Spring semester (at least 18 credit hours for the English for Academic Purposes program high intermediate and advanced levels).
- _____ Initial 2. Purchase the mandatory student health insurance through Saint Paul College for myself and my dependents (if applicable), before registering for classes each Fall and Spring semester. I understand that this cost may increase throughout my time at Saint Paul College. Cost for 2024-25 is \$2,346.
- _____ Initial 3. Pay my tuition for each semester. I understand that books, supplies, living expenses, transportation, and the required health insurance are extra expenses not included in tuition. I understand that failure to pay my tuition and fees on time may prevent me from registering for the next semester. Registration is required to maintain F-1 status.
- _____ Initial 4. Only accept on-campus employment or properly authorized off-campus employment. As an F-1 student, I understand that there is no option for off-campus work during my first two semesters, and that eligible on-campus work opportunities are extremely limited. I understand that there are significant restrictions for off-campus employment, certain criteria must be met, and permission must be received in advance.
- _____ Initial 5. Maintain my F-1 status. I understand that I must be aware of my F-1 status while at Saint Paul College and adhere to F-1 regulations. This includes, but is not limited to: always having a valid passport, informing my F-1 International Student Advisor of any phone and address changes within 10 days, registering full time each Fall and Spring semester, purchasing the health insurance, only engaging in authorized work, and ensuring the information on my I-20 is up to date.
- _____ Initial 6. Attend the International Student Orientation. I understand that I must plan to attend the required International Student Orientation. I understand that failure to arrive on-time may mean deferment of my admission to the next semester, and require me to leave the U.S. and return for the next semester.
- _____ Initial 7. Complete all required pre-enrollment steps before my first semester as outlined at saintpaul.edu/admissions/international-next-steps/.
- _____ Initial 8. Provide proof of immunizations for measles, mumps and rubella (MMR) and for tetanus and diphtheria (Td) within my first semester, if not already received. I understand that my registration for my second semester will be on hold until I provide this proof.
- _____ Initial 9. Fulfill my responsibilities as a Saint Paul College student by abiding by the Saint Paul College Student Handbook.

I have read and agree to the above terms on the F-1 International Student Agreement Form. I understand that failure to abide by these terms may result in rescindment of my admission/acceptance to Saint Paul College, being suspended from the College, and/or losing my F-1 status.
