It All Starts Here.

Fit in.
Stand out.

Saint Paul College is an inclusive campus for ALL learners. We see, respect, and connect to your story. We welcome you to be your most authentic self while finding those who share your passions, goals, and background. You'll feel connected to and supported by a community of instructors, staff, and students all helping to achieve your best.

We love being part of the St. Paul Community.

St. Paul is a diverse city with something for everyone. Our city is growing, with jobs in technology, finance, healthcare, and more. Residents of Saint Paul speak more than 100 languages, including Somali, Hmong, and Spanish. Our campus is easy-to-reach with plenty of parking and accessible by bus and light rail, as well as car and ride shares. We have all the benefits of a big city, while providing a safe campus learning environment.
