

Summer Scholars Academy Program

Saint Paul College is hosting the Summer Scholars Program during the Summer Term that is designed to provide eligible students with an opportunity to advance to higher levels of reading, writing, and math indicated by assessment results, High School GPA, or ACT, SAT, MCA, etc.

- Advisors assist students in selecting the appropriate course based on multiple measures of academic placement.
- Students will complete their course(s), learning key skills and strategies during the session. After completion, students will complete a post assessment.
- Based on their assessments, the work and effort demonstrated in the course, and faculty feedback, students are placed into the next appropriate course.

Summer Scholars Academy -READING

In this 16-hour mini-course, you will learn, refresh and practice skills required to be a successful college student. You will improve your reading comprehension by learning and practicing active reading strategies, academic vocabulary, and test taking skills. At the end of the course, you will complete a post assessment, which, combined with instructor recommendation, will determine your fall reading placement.

June 23-July 16, 2025 Delivery In-Person – Room 4465

Summer Scholars Academy -Writing

This 16-hour mini-course will help students prepare to participate successfully in writing courses at Saint Paul College. Participants will review and practice a range of writing skills, including structuring sentences and paragraphs effectively, demonstrating appropriate audience awareness, and using a professional tone. In addition, students will learn to use writing as a tool for both improving study skills and responding to assigned readings. At the end of the course, participants will complete a post assessment, which, along with the instructor's recommendations, will determine their Fall Semester writing course placements.
